

CHILD CARE PLAN

Part of your job search will depend on finding daycare with which you are comfortable.

Friends or Relatives

1. Ask whether your friend or relative will be willing to care for your children while you are at work.

Tell him or her that you will be at work at least eight hours a day.

Name two people you asked:

2. Ask one or both of these people to write down their promise to care for your children. If you need to pay for the care, this needs to be included in the statement. Put the statement in this pocket of the handbook.

Day Care Centers

1. Call the Child Care Association of Wichita-Sedgwick County at 682-3963 (or toll-free at 1-800-684-3962. The staff there will send you a list of child care providers based on the ages of your children, your work schedule, and your home address. Put the list in this pocket of the handbook.

2. Contact at least two of the providers from the list and complete the attached Child Care Facility information sheet on each one.

Alternative Plans

1. What is your alternative plan in case your chosen provider doesn't work out?
2. What will you do when your child is ill and cannot go to the provider?
